

The MCCAA would like to receive quotations for the supply and delivery of 100 (in number) 60cm x 60cm ceiling LED panel lights with matt easy to clean diffuser, having the below specifications and delivered into three different dates/phases:

Phase 1 - 35 units – to be delivered by the end of June.

Phase 2 - 35 units – to be delivery by the end of August.

Phase 3 - 30 units – to be delivered by the end of October.

- Dimensions: 60cm by 60cm to be fitted in the soffit ceiling as a tile replacement;
- Wattage: not less than 40W
- Illuminance: not less than 4000lm
- Light colour: natural white around 4000K
- Electrical connection 230v (input voltage) and supplied through a power supply unit/driver(output) which comes with the LED panel at no extra charge.
- Material of the plate of the LED panel: PMMA or otherwise
- Frame Colour: white
- Certifications: CE Marked
- Compliance: RoHS compliant
- Warranty: minimum of 2 years on both the LED panel and the power supply unit/driver.

Bidders are invited to submit quotations for both PMMA LED panels and LED panels made from other materials.

The most advantageous bid will be selected, based on the price and warranty terms and conditions.

Quotations may be sent by not later than **Monday 17th May 2019**.

Quotations may be sent via email (antoine.ellul@mccaa.org.mt).

All emails received will be treated with the strictest of confidentiality.

Price must include panels (including the power supply units/drivers), delivery and VAT.
