

## **IMPORTANT NOTE**

### **Submission of e-Tenders**

Tenders must be submitted by registered Economic Operators.

EPPS users holding a sole trader account are kindly reminded that their account can only be used to submit tenders under their sole trader's name and not on behalf of any other organisation.

In case a tender needs to be submitted by any other type of Economic Operator (e.g. Company/Joint Venture/Consortium), an account needs to be created either through the ePPS or e-ID as per Terms of Use for Economic Operators and only this account must be used to submit the tender.

In the case where a person requires to submit a tender on behalf of an entity which may be an organisation or Joint Venture/Consortium, the submission must be performed through the account of the entity. The latter must assign the person an account to perform the submission on its behalf, if the person is not already assigned. The entity will be considered as the economic operator submitting the tender.

Economic Operators are reminded that **ONLY** in the case of **New Account Registrations**, irrespective of the type and form of the Economic Operators, they have a choice between registering either directly through the ePPS at [www.etenders.gov.mt](http://www.etenders.gov.mt) or through the e-ID Service via the MyGov website at [www.mygov.mt](http://www.mygov.mt). In the case of the latter, Economic Operators must qualify for e-ID as per the ePPS Terms of Use for Economic Operators.

Prospective Bidders are reminded that when submitting more than one option for a particular CfT, they should submit multiple tenders.

Prospective Bidders are reminded to follow the above instructions and other instructions in the Terms of Use of the e-procurement system (ePPS) and the Manual for Economic Operators available under the 'Help' tab of the epps homepage.

The Department of Contracts reserves the right to disqualify Economic Operators who do not abide by the above instructions.

### **Submission of Financial Offer**

Tenderers must quote all components of the price inclusive of taxes/charges, customs and import duties and any discounts BUT excluding VAT. **VAT shall be paid in accordance with the current VAT regulations.**
