

Nameplate Affixed in Lift Cabin

[Lifts Regulations 2016, S.L. 427.37](#)

[Inspection of Lifts Regulations 2007, S.L. 427.63](#)

CE Marking (Regulation 19 of S.L. 427.37)

- (1) The CE marking shall be subject to the general principles set out in Article 30 of Regulation (EC) No 765/2008.
- (2) The CE marking shall be affixed visibly, legibly and indelibly to each lift car and to each safety component for lifts or, where that is not possible, on a label inseparably attached to the safety component for lifts.
- (3) The CE marking shall be affixed before the lift or the safety component for lifts is placed on the market.
- (4) The CE marking on lifts shall be followed by the identification number of the notified body involved in any of the following conformity assessment procedures.

Nameplate Details (Regulation 4 of S.L. 427.63)

- (1) Every responsible person shall ensure that the lift is marked legibly and indelibly with the following particulars:
 - (a) name and address of the installer,
 - (b) the CE marking (for new lifts),
 - (c) the designation of series or type,
 - (d) serial number (if any),
 - (e) the year of construction,
 - (f) the particulars of the responsible person to be contacted in case of a problem.
- (2) Every responsible person of a lift shall ensure that each car bears an easily clear and visible plate with the following inscriptions, in addition to sub regulation (1):
 - (a) the rated load in kilograms,
 - (b) the maximum number of passengers which may be carried,
 - (c) the date of the last preventive inspection, (d) the date of the next preventive inspection, and (e) any other relevant instructions.
