3rd August 2026

The Director General (Consumer Affairs), in terms of Article 8 of the Consumer Affairs Act (Cap. 378), is issuing this Public Statement by which she is identifying and informing the public that the following trader:

Patrick Grech – P&S Woodworks

has been the subject of two decisions by the Consumer Claims Tribunal, neither of which has been honoured, despite several attempts having been made to secure compliance therewith.

By the first decision, the trader was ordered to pay the consumers the sum of two thousand two hundred and eighty-nine euro and seventy cents (€2,289.70), representing the value of uncompleted woodwork carried out at the consumers' residence and other expenses incurred by them. By a further decision, the trader was ordered to pay the consumers the additional sum of three thousand five hundred and fifty euro (€3,550). The total amount awarded under the said decisions therefore amounts to five thousand eight hundred and thirty-nine euro and seventy cents (€5,839.70). The Tribunal further ordered that the costs be borne by the trader in accordance with the law.

This Public Statement is being issued in the interest of consumer protection and without prejudice to any other action which may be taken in accordance with the law. This notice does not constitute a decision on any matter other than that established in the above-mentioned Tribunal decisions.
